PROJECT INFORMATION

## PROJECT OVERVIEW

The D'Driven project is dedicated to creating Deaf-friendly workplaces. By providing employers with the necessary tools, training, and support, the project aims to enhance diversity and inclusion in the workplace and promote an inclusive and modern society. The project's ultimate goal is to reduce social exclusion and improve the quality of life for Deaf and Hard of Hearing individuals.

## CAREER DEVELOPMENT AND INCLUSION FOR DEAF & HARD-OF-HEARING INDIVIDUALS THROUGH A FRIENDLY WORKPLACE

D'Driven is an online learning platform that is expected to promote diversity in the workplace, positively impact workflow, and raise employers' profiles and social responsibility as innovative, inclusive, modern, and equal-opportunity providers. Inclusion leads to higher competencies, morale, and productivity for enterprises.

The selection of DDriven partners involved a thorough and thoughtful process, taking into account their substantial experience in research projects and their expertise in sectors closely aligned with the project's content. Additionally, partners were selected with consideration of their national context and geographic location, aiming for a diverse distribution across various regions and cultures.

Each partner brings a proven track record in Erasmus+ projects, demonstrating their ability to effectively communicate and collaborate across cultural barriers.
