TRANSFORMING WORKPLACES into deaf-friendly environments

OUR MISSION

To promote deaf awareness and increase the participation of Deaf & Hard-of-Hearing (DHH) individuals in workplaces through the creation and dissemination of materials and activities at the local, regional, national, and European levels.

Our ultimate goal is to shift employers' and employees' thinking toward people with disabilities, provide access to the labor market, and improve the work status for DHH individuals.

e-Learning Platform

- Positively impact workflow, and raise company's social responsibility
- Self-paced learning material that improves skills and competencies
- Improve companies' Diversity and Inclusion Index that leads to higher competencies, morale, and productivity
